Guía para buscar información en las Alertas Bibliográficas Temáticas

- Hacer click en el enlace de la revista que desea revisar. Ej.: The Lancet <http://www.sciencedirect.com/science/journal/01406736>
- Ir al cuadro de Búsqueda e ingresar la palabra clave ej.: Obesity y hacer click en el ícono de búsqueda. Además de palabras claves, se puede buscar por nombre del autor, revista, volumen, número y página.

The screenshot displays the ScienceDirect website. At the top, there is a green navigation bar with the ScienceDirect logo and links for 'Journals' and 'Books'. Below this is a search bar with the word 'Obesity' entered. To the right of the search bar are several filter buttons: 'Author name', '--This Journal/Book--', 'Volume', 'Issue', and 'Page'. A magnifying glass icon labeled 'Advanced search' is positioned to the right of the search bar. A blue arrow points from the search bar to the left, and another blue arrow points from the magnifying glass icon upwards. Below the search bar, the page for 'THE LANCET' is shown. The page features the journal's title, a brief description, and several interactive options: 'About this Journal', 'Sample Issue Online', 'Submit your Article', and 'The Lancet Interactive'. There are also icons for 'Get new article feed', 'Subscribe to new article alerts', and 'Add to Favorites'. At the bottom of the page, it says 'Copyright © 2015 Elsevier Ltd. All rights reserved'.

- Al desplegar los resultados hacer click en el artículo que desea revisar

The screenshot shows the ScienceDirect search results page for the keyword 'Obesity'. The search results section displays two articles. The first article, 'Ending childhood obesity: a multidimensional challenge', is highlighted with a blue arrow pointing to its title. The second article is 'Management of obesity: improvement of health-care training and systems for prevention and care Review Article'. The left sidebar contains 'Refine filters' for 'Year' (2015-2011) and 'Publication title' (The Lancet).

- Copiar la referencia o el enlace del artículo seleccionado y solicitar el texto completo a sallen@minsal.cl o biblioteca@minsal.cl

The screenshot shows the full article page for 'Ending childhood obesity: a multidimensional challenge' in The Lancet. The URL in the browser's address bar is circled in blue. The article title and journal name 'THE LANCET' are also circled in blue. The page includes an 'Article outline', 'References', and 'Figures and tables' section. The main content area shows the article title, authors (Peter Gluckman, Sania Nishtar, Timothy Armstrong), and a 'Choose an option to locate/access this article:' section with a 'Purchase \$35.95' button and a 'Check access' button. The right sidebar features 'Recommended articles' and 'Citing articles (0)'. An advertisement for 'VIRAL HEPATITIS 2015' is visible in the bottom left.

- Búsqueda Avanzada: Se puede buscar por descriptor, en todos los campos, utilizar los operadores booleanos y definir los años de búsqueda.

The screenshot shows an advanced search interface. At the top, there are input fields for 'Search all fields', 'Author name', 'Journal or book title', 'Volume', 'Issue', and 'Page', followed by a magnifying glass icon and the text 'Advanced search'. Below this, there are tabs for 'All', 'Journals', 'Books', and 'Reference Works'. The 'All' tab is selected. To the right, there are links for 'Advanced search' and 'Expert search', and a blue arrow pointing up. Below the tabs, there is a 'Search tips' link. The main search area contains two search boxes. The first box contains the text 'Obesity' and a dropdown menu set to 'All Fields'. Below this is a dropdown menu set to 'AND'. The second box contains the text 'Child' and a dropdown menu set to 'All Fields'. Below the search boxes is a section titled 'Refine your search' with checkboxes for 'Journals' (checked), 'Books', and 'Open Access articles only'. Below this is a dropdown menu for subject categories, currently showing '- All Sciences -' and expanded to show 'Agricultural and Biological Sciences', 'Arts and Humanities', and 'Biochemistry, Genetics and Molecular Biology'. To the right of this dropdown is a note: 'Hold down the Ctrl key (or Apple Key) to select multiple entries.' At the bottom, there are radio buttons for 'All Years' and '2010' (selected), followed by a 'to:' label and a dropdown menu set to 'Present'. A 'Search' button is located at the bottom left. On the right side of the interface, there is a 'Search history' section with a 'Turn on' link and a brief description: 'Search for articles from our full-text collection using this form. Consult the Search tips which can improve the precision of your search.'

NOTAS:

Únicamente la Biblioteca tiene clave para acceder a las revistas de las Alertas Bibliográficas que hemos enviado.

Todas las revistas ofrecen los mismos campos de búsqueda, en algunas solo cambia la interfaz.
